Economy Fence Center
Attn: Mr. Devin Reidel
1616 E. Marine View Drive
Everett, WA 98201

Dear Devin,

Although we received the enclosed "satisfaction survey", we wanted to send you a note of appreciation on a job-so-well-done. Our new fence looks great and we are so pleased with the outcome.

Not only did your crew (Kevin and Eric) show up exactly on time, but continued working right through though all the elements thrown in their direction (snow, rain, sleet, hail and bits of sunshine here and there). They were incredibly professional in dealing with our "backyard" neighbors regarding the additional pre-treated wood they had requested to be installed. They even stopped by the day after installing the fence posts, to check on the progress of the setting cement. This may be typical practice for your company however it was not expected and very appreciated.

We can tell you not only from our perspective, but from the three other homes involved, how happy we all are with the final result. Each family commented on how pleased they were with their side of the fence, and what a great experience it was working with your crew.

Should you ever need a recommendation, please do not hesitate to contact us. We not only would recommend you without hesitation but will use you in the future should the need arise.

Thank you also, Devin, for your help in getting the correct "billing amounts" for each neighbor, as well as the timing of the installation, working around Kristi's vacation was appreciated.

From every aspect, Economy Fence exceeded our expectations!

Sincerely,

Al and Kristi Lessmann

Your service on all counts was above average - especially in the "gentle" dealing with my next door neighbor who could have been very ugly. I had written him to say the work was going to be done (you had done a fence for him a few weeks before (HW Carlson at 6450 NE 183rd St.) he has been very threatening to me in the past I had shared this with your crew ahead and on site.
